

### **COVID-19 CATCH UP PREMIUM**

The Covid 19 Catch up grant and School-Led Tutoring grant have been combined. This has enabled the school to extend the timetable of a part-time teacher to a full-time post, meaning this teacher now has full responsibility for one Year 5 class.

Appointing a teacher in this role has meant that we are able to use 3 x Senior Leadership members to deliver high-quality interventions across the school on a Friday. This has enabled us to maximise the impact on learning of vulnerable groups of children.
