

Internet Safety

At St Mary's Junior School we recognise that it is more important than ever that we provide a safe environment for pupils including online. We will continue to ensure that appropriate filters and monitoring systems are in place to protect children when they are online via our IT systems and/or recommended resources.

We will ensure any use of online learning tools and systems is in line with privacy and data protection/GDPR requirements.

Guidance on keeping your children safe online can be found here:

- [Internet matters - for support for parents and carers to keep their children safe online](#)
- [London Grid for Learning - for support for parents and carers to keep their children safe online](#)
- [Net-aware - for support for parents and carers from the NSPCC](#)
- [Parent info - for support for parents and carers to keep their children safe online](#)
- [Thinkuknow - for advice from the National Crime Agency to stay safe online](#)
