Dear parents/carers

### **Grammar Glossaries**

At both St Mary's and Newton Flotman Schools, we are aware of the importance of children's learning being supported and extended at home with parents and family and we recognise that our parents and carers wish to support their children's learning too.

With this in mind, please find attached *whole school grammar glossary for all years - one through to year six* which are colour coded showing which learning objectives are covered in that year group. There is a glossary of terms used that your child will learn and apply to their writing.

Children need to learn the terms for their current year group and all those proceeding so if your child is in year three, he/she will need to know and understand the learning objectives for years one, two and three.

Please support your child with learning these at home as we will in school.

Below is a link to BBC Bitesize which has useful activities to also support your child's learning:

As ever, any queries, please do not hesitate to ask.

Kind Regards

**Mrs D Steer**
